MEMORANDUM FOR: Director of Public Affairs
FROM: Director of Central Intelligence
SUBJECT: Dinner with TIME, Inc. at the Corcoran Gallery,
13 September 1979

1. I had dinner with TIME, Inc. last night at the Corcoran Gallery.
2. There were stories that Barry Zorthian has been given some new position. Could you find out what it is? If it's appropriate, then I'd like to send him a note of congratulations or good wishes. He has been very nice to me.
3. At the dinner, Jack Kilpatrick came over to my table to speak to someone else, who then introduced him to me. He said that he had been trying to arrange for me to come and have lunch or breakfast (I can't remember which) with him and Agronsky just before they taped some Agronsky show. I gave him a non-committal answer but said you would be in contact with him.
